

## What Do Couples Find So Engaging About Our Weekends?

*"This was a great experience. You guys have no idea what a change  
this made in our relationship."*

*"We have grown so much closer to each other and Jesus just by  
evaluating our lives and our love for each other."*

*"We were amazed at how much we learned about ourselves and each other."*

*"We feel as if the Weekend couldn't have been better.  
We left St. Anthony's feeling renewed and excited about our life together."*

The Catholic Engaged Encounter retreat is a weekend experience that offers engaged couples a unique opportunity to discover a deeper appreciation of their relationship and God's call to unite them in a permanent union. It provides the opportunity to examine and deepen their commitment to one another, and gives them a clear view of what a good Christian marriage involves.
